

Évaluations de début d'année

Mathématiques

Dispositif Ulis

Niveau C1

Nom :

Année :

1 - Écris les nombres dictés :

2 - Colle le nombre de gommettes demandé :

1	
---	--

5	
---	--

2	
---	--

0	
---	--

3	
---	--

10	
----	--

3 - Compte les éléments et écris le nombre qui correspond :

A large empty square box for writing the answer.A large empty square box for writing the answer.A large empty square box for writing the answer.

4 - Dessine le nombre de ronds demandé

2

4

9

5 - Complète les suites des nombres

Remplis les cases blanches :

	1	2	3						
--	---	---	---	--	--	--	--	--	--

			3	4	5	6			
--	--	--	---	---	---	---	--	--	--

Remplis seulement les cases blanches :

	0	1	2							
--	---	---	---	---	---	--	---	---	---	---

	5	6	7							
--	---	---	---	---	---	--	---	---	---	---

						8	9	10			
--	---	---	---	---	--	---	---	----	---	---	---

				15	16	17					
--	---	---	---	----	----	----	--	---	---	---	---

		12	13							
--	---	----	----	---	---	--	---	---	---	---

					21		23				
--	---	---	---	---	----	--	----	---	---	---	---

Remplis seulement les cases blanches :

6 - Colorie les étiquettes du **nombre 4** :

7 - Entoure le nombre dicté :

4 2 8 3 1

3 9 5 6 3

8 14 12 11 10

14 10 12 11 15

18 8 16 10 19

19 18 11 9 20

8 - Classe les éléments du plus petit au plus grand :

Activités réalisées avec du matériel de manipulation (sans modèle)

Photos du travail réalisé :

9 - Colorie le nombre le plus grand :

1

4

5

0

8

1

4

14

20

19

23

32

10 - Entoure le nombre le plus petit :

1

8

5

0

2

4

15

5

14

10

19

29

11 - Situations additives et soustractives :

Écris l'opération qui convient :

Combien y a t-il d'éléments en tout ?

+

=

+

=

Regarde le dessin, dessine la situation de départ, puis écris l'opération qui convient :

Combien reste t-il d'éléments à la fin ?

-

=

-

=

12 - Géométrie :

Colorie les carrés en vert, les rectangles en jaune, les triangles en gris et les cercles en bleu :

Matériel à découper :
