## Comparer des quantités - Comparer des nombres - 1

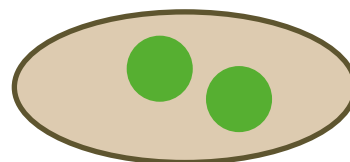

Voici Croco, Croco est un glouton ! Il veut toujours manger des bonbons. Croco est malin, il choisit toujours le panier où il y a le plus de bonbons !

Dessine Croco. Quel panier contient le plus de bonbons ?

## Comparer des quantités - Comparer des nombres - 2

Croco compte tous les éléments pour savoir où il y en a le plus.  
Quel gourmand !

Compte les éléments et écris le nombre. Dessine Croco pour montrer où il y en a le plus.
